

WEDDINGS

A wedding at Las Ventanas al Paraíso is always personal, intimate, sophisticated and astoundingly beautiful.

Nuptials combine Rosewood's legendary service, attention to detail and exquisite accommodations with stunning architecture and décor set against the dramatic landscape of the breathtaking Sea of Cortez coastline, Las Ventanas and its unique venues creates the perfect ambience for a magical Cabo wedding that is like stepping through a window to paradise.

Since opening in 1997, Las Ventanas has become one of the most sought-after and exclusive Los Cabos resorts for destination weddings in Mexico. Ceremonies are usually performed by a local Justice of The Peace or a non-denominational minister; other special arrangements can be made. Every service from live entertainment and videography to flowers, and attention to the smallest details such as the type of chocolate used in the wedding cake or matching the color of the flowers to the colors of the Cabo sunset, are part of the resort's complete wedding planning and experience.

WEDDING PLANNERS

Rosewood's professional team of wedding specialists holds the key to creating a one-of-a-kind lifetime event. Wedding coordination is supported from beginning to end with the utmost dedication and attentiveness, including state-of-the-art technology, floral arrangements and food and beverage preferences. In addition, Las Ventanas al Paraíso's Director of Romance ensures that all preparations are flawlessly executed.

TAILORED WEDDINGS

Weddings at Las Ventanas are exquisite romantic affairs. The resort's Director of Romance works closely with the bride and groom to understand their ideas and dreams in order to realize their vision for their perfect wedding at this exclusive location. Working with the best florists, decorators, photographers and other specialist vendors, along with the resort's acclaimed chefs who create memorable menus, the results are always truly amazing and unique. With a choice of beautiful venues for ceremonies and celebrations, Las Ventanas al Paraíso is an ideal destination for bespoke intimate weddings.

IDYLLIC VENUES

Choose from a variety of idyllic venues for the ceremony and other wedding events:

The Beach at Las Ventanas al Paraíso is a favorite with couples for romantic and intimate wedding ceremonies and vow renewals, proposals, anniversaries and more.

La Plaza is a sweeping terrace at the resort's highest point with panoramic views of the sparkling Sea of Cortez and the captivating Los Cabos coastline. Wedding ceremonies are

often held at sunset when the sky and sea turn spectacular shades of orange and red, creating a magnificent backdrop as the couple exchange their vows under a specially designed canopy. Elegant dining can be enjoyed in a wood-beamed private banquet room that opens to a beautiful inlaid-pebble terrace with spectacular ocean views. Ideal for wedding receptions, guests can dine indoors or outdoors under the star-studded Baja sky - or enjoy both and take advantage of all the resort's beauty, both inside and out.

For elegant rehearsal dinners or intimate pre-wedding events of up to 14, La Cava is an enchanting private wine cellar where guests dine among thousands of bottles of the world's finest vintages.

For the ultimate in relaxed beach chic, a traditional Mexican beach barbecue, with sizzling aromatic grills and roaring bonfires on the sand, is perfect for informal special dinners.

WEDDING STORIES

Every couple has a love story. Throughout the years, Las Ventanas al Paraíso, A Rosewood Resort has been the unforgettable backdrop for one-of-a-kind weddings around the world.

A marriage made in Paradise...

The setting was the pure white beach at Las Ventanas in Los Cabos, Mexico. The event was an intimate wedding and reception. All the guests wore white and carried white parasols. A harpist played during the ceremony. After the reception, guests gathered around a bonfire and serenaded the couple with song and guitar. Was it a dream? No. But given the surreal beauty of the surroundings, it was certainly paradise on earth.
