

Correcting Skincare A Focused Solution

In life, challenges can be overcome and goals achieved with proper focus. The same is true with skincare.

Kerstin Florian Correcting is a complete line of cosmeceutical-based skincare formulas providing solution-focused, targeted results for all skin types. Whether it's fine lines, aging, hyperpigmentation or congested skin, Correcting provides immediate, visible results for long-term skin health.

Use Correcting as a part of your complete approach to beauty. Focus on nourishing body, spirit and mind. Beauty will follow.

Correcting Skincare

Complete Daily Cleanser

Gentle, effective one-step cleanser, balances

This gentle 3-in-1 formula provides a multi-purpose solution to cleanse, tone and remove makeup in one step. Chamomile, Aloe and Vitamin E soothe and protect, leaving the skin balanced, soft and hydrated.

Foaming Cleanser

Deeply cleanses, gently exfoliates, brightens

This foaming cleanser with gentle exfoliating acids effectively lifts impurities, oil and makeup from the skin's surface to reveal a fresh, bright complexion. Botanical conditioners soothe and calm as they enhance the skin's moisture barrier.

Correcting Skincare

Refining Toner

Balances, soothes, refines texture

Natural soothing and purifying botanicals help to calm, balance and hydrate the skin. Salicylic and Phytic Acids gently resurface the skin as they sweep away excess oils.

Intensive Renewal Glycolic 15

Improves skin tone, hydrating exfoliation treatment

Uncover the natural beauty of your skin with this intensive exfoliating treatment crème based on Glycolic Acid, Vitamin C and botanicals. Allows emerging skin to absorb more nutrients as it helps to strengthen the skin's essential support structure.

At-Home Professional Peel

Instantly brightens, exfoliates, refines

Instantly brighten and refine skin texture with these professional multi-acid, botanical peel pads. The immediate exfoliating action removes impurities, excess sebum and dry surface skin cells to reveal a smooth, radiant complexion.

Brightening Facial Treatment

Illuminates skin, fades dark spots, evens tone

A powerful blend of skin-illuminating botanicals and Acti-5 Brightening Complex that synergistically work together to restore clarity and visibly fade dark spots. Experience an immediate radiance as continued usage helps inhibit melanin production and deliver brightness to dull, uneven skin.

Correcting Skincare

Serum C+ Infusion

Boosts collagen, firms, evens skin tone

Accelerates the elimination of photodamage, evens out skin tone, moisturizes the skin and prevents signs of premature aging. A powerful antioxidant and healing ingredient, Vitamin C also promotes collagen production to increase elasticity and smoothness of the skin.

Hyaluronic Serum

Plumps skin, instantly hydrates, soothes

Naturally found in the skin, Hyaluronic Acid binds and attracts water to maintain softness and suppleness. This advanced serum gives a nourishing boost to ensure skin is adequately protected and hydrated, while providing soothing antioxidants to balance reddened, irritated and sensitive skin.

Mattifying Hydrator

Controls sebum, refines texture, matte finish

This oil-free, active moisturizer provides multiple benefits to help reduce sebum production, unclog pores and reduce the appearance of fine lines with a shine-free finish. Contains multiple acids to combat excessive cell build up and effectively retexturize the skin.

Multi-Vitamin Day Crème SPF 30

Nourishing SPF protection, daily moisturizer

A multi-vitamin supplement for your skin. This nourishing moisturizer provides complete protection with broad spectrum sun filters, synergistically enhanced with antioxidants, vitamins and botanicals to help soothe and support skin structure.

Correcting Skincare

Rescue Crème

Deeply hydrates, soothes, comforts, protects

This rich, all-weather treatment crème strengthens the skin's capacity to withstand environmental stress and extreme climate conditions. Nourishing and comforting, it revitalizes as it relieves and soothes tight, dry and flaky skin.

Brightening Eye Crème

Brightens, hydrates, reduces puffiness

This lightweight brightening eye treatment, infused with Vitamins A, C, E and Peptides, provides immediate hydration to the delicate eye area. Designed to brighten dark circles, reduce puffiness and minimize appearance of fine lines and wrinkles.

Eye Rescue

Instantly reduces lines, brightens, plumps

Achieve dramatic results with this instantly hydrating, line-smoothing treatment. These all-natural, soothing eye pads leave the eye area brighter, visibly plumped and more luminous for a well-rested, youthful look.

Focus on Eyes

Target aging around the eye area with powerful key ingredients to produce visible results:

Eye Rescue

Immediately decreases the appearance of fine lines and wrinkles by 35%

Visibly improves skin softness by 20%

Visibly improves skin smoothness by 114%

Significantly reduces trans-epidermal water loss (TEWL)

Improves skin elasticity, firmness

Brightening Eye Crème

Advanced peptide (2% Haloxyl) complex helps prevent and diminish the appearance of dark circles by 19% after 56 days of use

Improves wrinkle depth up to 45% after 56 days of use

Improves elasticity to reduce the appearance of fine lines and wrinkles

Correcting Skincare Key Ingredients

Acti-5 Brightening Complex

A powerful combination of anti-aging and clinically proven ingredients and skin-illuminating botanicals that work together to restore clarity and visibly fade dark spots.

Chlorella

Super-nutrient, chlorophyll-rich single cell green algae. Nourishing.

Co-Enzyme Q10

Provides strong antioxidant protection.

Dermostatyl

A skin lightening peptide. Decreases melanin content in skin. Promotes even skin tone.

Haloxyl

This peptide prevents and diminishes the appearance of dark circles, significantly reduces red and blue discoloration in the skin, increases skin density to better support the microvascular network around the eyes and helps to alleviate inflammation that can lead to vessel fragility.

Matrixyl 3000

This peptide complex promotes reduction of wrinkle depth as it improves smoothness and overall skin tone.

Sodium Hyaluronate

Attracts and binds moisture to the skin surface to create and maintain softness and suppleness.

Vitamin C

A high potency complex that helps boost collagen production and enhance skin's structural support. Helps brighten skin and prevent the appearance of age spots.

Correcting Body Care Key Ingredients

Bamboo

An organic silica from the nodes of bamboo stems, it gently and effectively exfoliates to refine and soften skin.

Brazilian Pepper

Stops differentiation at the stage of young adipocytes and activates lipolysis to target and reduce adipose tissue.

Cucumber

Calms and soothes the skin while providing an uplifting, natural aroma.

Ginger

Clinical evidence reveals it activates lipolysis, reduces formation of adipocytes. Stimulates the anti-inflammatory response. Improves the synthesis of elastin by adipose tissue.

Kombuchka

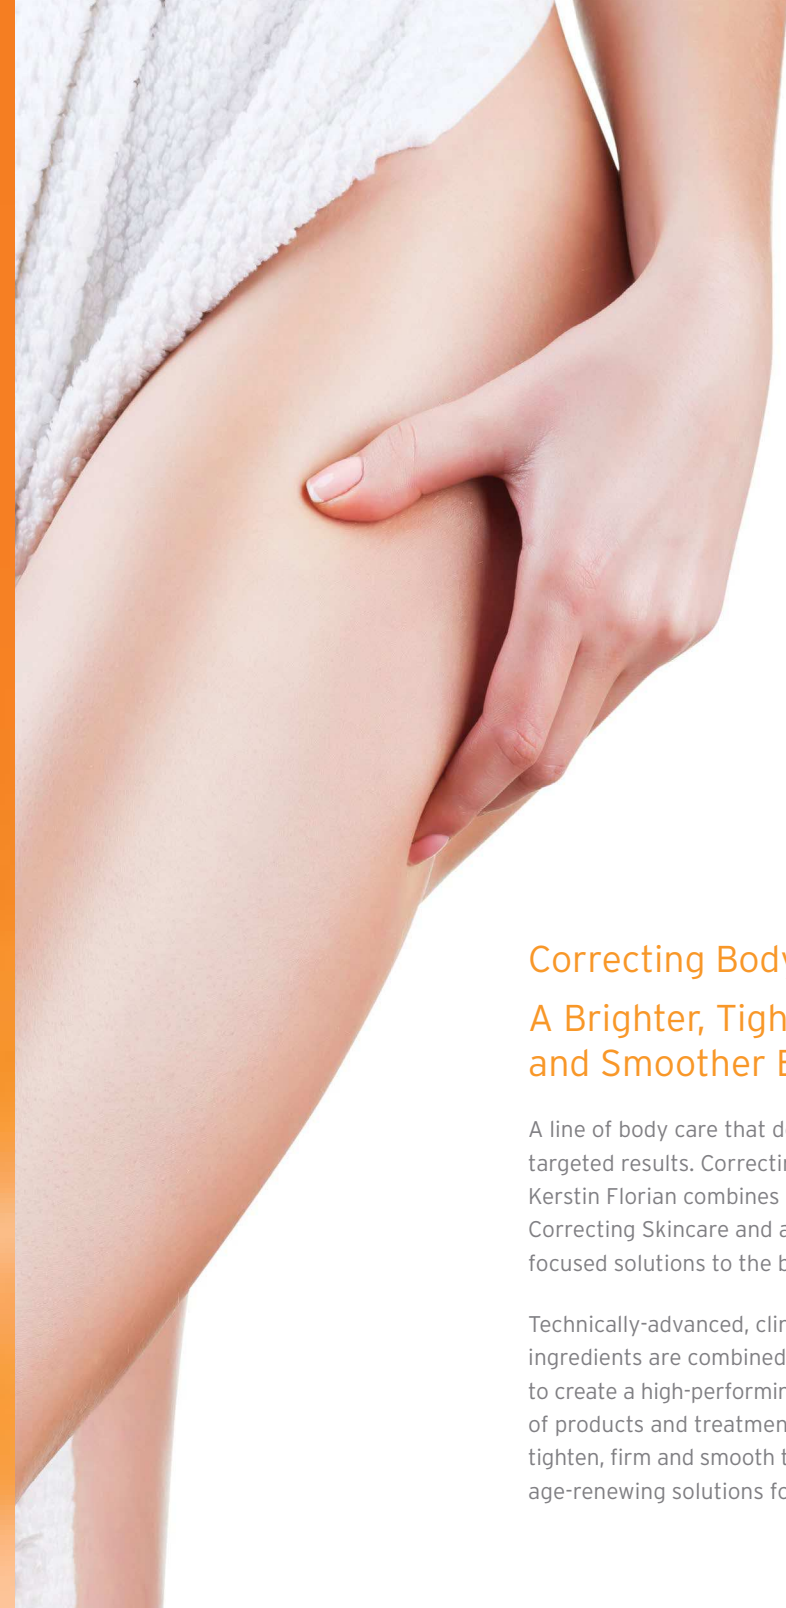

This Black Tea Ferment smooths and improves the appearance of skin texture. Reduces the negative effects of sugars on collagen that weaken the skin structure.

Multi-Acid Complex

A combination of acids that synergistically work together to retexturize and smooth the skin—Glycolic, Lactic, Salicylic and Phytic Acid Extreme.

Palmaria Palmata Extract

Clinically proven red algae which inhibits the synthesis of melanin. Lightens and reduces the size of age spots. Promotes a luminous and refined appearance.

Correcting Body Care A Brighter, Tighter and Smoother Body

A line of body care that delivers immediate, targeted results. Correcting Body Care from Kerstin Florian combines what you love about Correcting Skincare and applies the same focused solutions to the body.

Technically-advanced, clinically-proven ingredients are combined with effective botanicals to create a high-performing, cohesive collection of products and treatments that brighten, tighten, firm and smooth the body. Unprecedented age-renewing solutions for the body.

Correcting Body Care

Multi-Vitamin Firming Crème

Deeply nourishes, hydrates, brightens, firms

This high-performance daily treatment delivers multiple benefits to help prevent signs of aging. Proven botanicals and fruit acids brighten, nutrient-rich algae extracts firm and tone, natural Shea Butter and essential oils hydrate, and antioxidant vitamins nourish and protect the skin. Restore the body's healthy-looking glow.

Intensive Slimming Serum

Activates lipolysis, visibly refines, firms, contours

Powerful, proven slimming actives combined with plant-based firming and refining extracts, minimize the appearance of cellulite and activate lipolysis to target and reduce adipose tissue. This highly-concentrated, intensive body serum instantly penetrates to boost elasticity and visibly refine the skin for a sleek, smooth contour.

Brightening Body Scrub

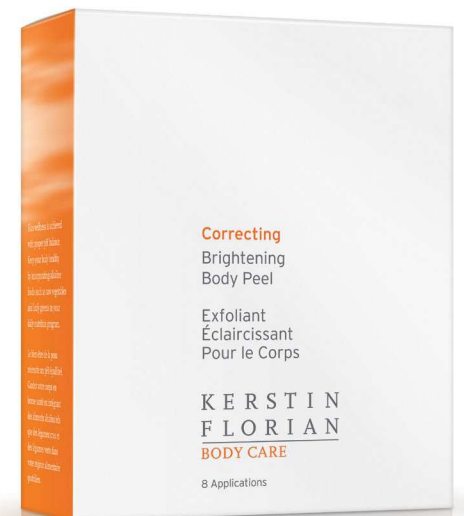

Stimulating exfoliation, illuminates, softens

Actively retexturize your skin to achieve a brighter, smoother appearance and skin tone. Exfoliating Bamboo, Jojoba beadlets and stimulating fruit enzymes polish and refine while rich emollients hydrate and protect. This uplifting scrub instantly invigorates, illuminates and softens the skin.

Brightening Body Peel

Instantly brightens, refines, visible glow

Experience immediate, visibly radiant skin with a sweep of these pre-moistened body peel cloths. Multi-fruit acids and botanical enzymes refine skin texture to reveal a smooth, bright, healthy-looking appearance. The convenient cloths make it simple to achieve a professional glow on the go.
